

## **Management of Solid Waste**

The Lake County Department of Utilities is seeking qualified managerial candidates for a vacancy in the Solid Waste Division. Qualified candidate will perform diverse supervision duties in the operation and maintenance of the Lake County Landfill. Responsibilities include overseeing the business operations, assuring regulatory compliance, providing guidance and solutions to staff. Planning, directing, monitoring, staffing and coordinating all aspects of landfill operations. The successful candidate must have demonstrated strong multi-tasking skills, problem solving, communications, human resources, dependability, the ability to work under the pressure of deadlines and good public relations. Effective customer service skills (verbally and in written communications) with customers and co-workers. Previous fiscal management with annual and multi-year budgeting for operational and capital improvements preferred. A college degree in Business Administration or Environmental Science is desirable with a minimum of four (4) years experience in utility business operations/environment is preferred. Must have the ability to obtain the Landfill Manager Certification within 60 months of employment. Send resumes to William A. Margalis, Director of Administrative Services, 105 Main Street, Painesville, Ohio 44077, by June 7, 2013.
